TOPS

The TOPS performances will be the 26th and 27th of April. The rehearsals for the shows are going very well, and so are ticket sales, which can be bought online. The cast of this year's TOPS will be having a bonding night sometime this week and the front of house staff is having a training day.

Leadership Camp

The date for this year's Leadership Camp is the 25th and 26th of April and there will be nine schools participating. The planning is coming along very well and all the people involved have been working very hard to get everything completed. In total, there are 108 students attending from grades 7 to 11.

Welcome to our World

The Central Student's Committee will be hosting the same event as the last couple of years, where a few grade 6 students and their parents from each elementary school will be invited to our meeting, to learn about high school. There has been a few topics given out to students on CSC who will be giving a speech to the younger students, about things such as transitioning from elementary to high school, getting involved, staying true to yourself, humanitarian opportunities, etc. There has been an extra CSC meeting planned for those who are giving speeches to practice, on April 22nd. Each CSC rep needs to ask their principals for school gifts to bring in for the grade 6 students attending that school, enough for about 4 students.

Policies

We were given two policies to read through and give feedback to: Policy on Safe and Caring Schools, and Students with Special Needs: Policy on the Organization of Services. We discussed what different schools thought of about the policies; positives, concerns, how it is treated in our schools, etc.

Dates of Next Meetings

The next CSC meetings have been scheduled for 10:00 to 12:30 on:

- Saturday, May 11th

Respectfully submitted by,

Caroline Gregory
